INDEX.

* Denotes an original article. † A book reviewed.
Select Clinical Reports not marked *.

A. PAGE

Abdomen, endoscopy of 788
Abdominal adhesions 752
Abortion, criminal, fatal infection with anærobe in....822
—— infected, treatment of....388
—— treatment of 369
—— X-ray 647
Abortions, statistics on 390
—— technique of clearing out....623
—— and their treatment....766
Abrams, S. F.: Simple method of cauterization of cervix....781
Absorption from human vagina....*496
Acidosis, physiological, of pregnancy....812
Acosta-Sison, H.: Umbilical hæmorrhage 784
Actinomycosis of female reproductive organs....810
—— parametritis due to....832
Adair, F. L.: Influence of diet on lactation....359
—— —— and H. Thelander: Weight and dimensions of human placenta, etc. 772
Adams, T. W.: Morphine and magnesium sulphate as an obstetric analgesic 158
Adams, Weaver: Estimation of fœtal maturity....*734
Adenocarcinoma of uterus with ossification of its stroma....405
Adenofibromata in laparotomy scars....834
Adeno-fibromatosis of the endometrium 586
Adenofibrosis and adenomyosis of female genitals....629
Adenoma of cervix....372, 850
—— of uterus 808
Adenomyoma, pelvic 421
—— of recto-vaginal space....118, 163
—— of round ligament 121
Adenomyomata, etiology of 386
—— extra-uterine *529
—— pelvic, symptoms of 154
Ahlfeld, F.: Against rectal examination in obstetrics....610
Ahman, G.: Serological latency in syphilis in infants....636
Alder, A.: Anæmias in pregnancy 619
Alexander-Adams operation 827
Allen, E., and M. M. Ellis: Effect of ultra-violet rays on hormones, etc. 778
—— —— J. P. Pratt, and E. A. Doisy: Ovarian follicular hormone..780

Alton, B. H., and G. C. Lincoln : Control of eclampsia convulsions by intra-spinal injections of magnesium sulphate.....361
Anæmia of the puerperium 369
—— pernicious : cholesterol and pregnancy 386
Anæmias, the, in pregnancy.....619
Anæsthesia, prolonged, influence of, on temperature regulation...830
—— rectal, in obstetrics.....766
—— sacral 624
—— —— nerve block 634
—— spinal, trophoneurotic sequelæ of.....815
Analgesia, obstetric, morphine and magnesium sulphate as.....158
Anderson, W. : Treatment of abdominal adhesions.....752
Andrews, H. Russell : Case of endometrioma of the umbilicus.....545
—— —— Puerperal sepsis : discussion 256
Annett, H. E. (Jt.-Author), *see* Bell, W. Blair.
Ano-rectal region, primary syphilis of.....584
Antenatal clinic 356
Appendicitis, chronic, differential diagnosis.....588
——chronic, scruples of the gynæcologist concerning..... 587
Armitage, H. M. : Cæsarean section after test of labour.....791
Armstrong, G. E. : Treatment of general peritonitis.....578
Armytage, V. B. Green : solid malignant tumour of ovary in girl of 15, associated with pregnancy.....553
Asdell, S. A. : Some effects of unilateral ovariotomy in rabbits.....181
Autolyzed fœtal emulsions, action of, on childbirth.....398
Autoplasmatherapy, new method, for puerperal infections.....382

B.

Bacillus abortus 406
—— —— and *B. melitensis*, relations between.....636
—— —— septicæmia in man due to.....641
Bacillus melitensis and *B. abortus*, relations between.....636
Backache, chronic, in gynæcology.....150
Backwin, H., R. M. Morris, and M. D. Southwood : Effect of fluid on temperature and blood concentration in the newborn with fever 400
Bacterial culture filtrates as local applications.....393
—— infection and operative mortality, therapy of.....607
Bacteriological prognosis and diagnosis.....610
Bailey, H., and W. P. Healey : Cancer of cervix treated by irradiation 364
Bailey, K. Vernon : Two cases of ante-partum rupture of uterus through previous Cæsarean section scar.....129, 185
—— —— —— Pelvic adenomyoma (discussion) 424
Baker, J. R. : Sex-intergrade pigs.....764
Bandl's ring as cause of dystocia.....582
Bánki, Z. : Certain early diagnostic sign of extra-uterine pregnancy 615
Barclay, A. E. : Problem of malignancy.....572
Barrett, Lady : Puerperal sepsis : discussion.....251
Barrett, C. W., A. F. Lash, and I. Pilot : Study of streptococci from chronic infection of cervix uteri and Fallopian tube.....581

Bartholin's gland, carcinoma of....627
Basal metabolism in pregnancy....633
Bauer, G.: Results in treatment of placenta prævia in the obstetrical department of Malmö General Hospital....180
Baumm, H.: Bleeding lacerations of cervix....826
Bayer, A.: Sex ratios and war....176
—— —— Curietherapy....808
Beckmann, M.: Has position of placenta in tubal pregnancy any influence on treatment?....175
Béclère, A.: Ovarian activity....648
Beirring, K.: Heart disease in pregnancy....641
Bell, W. Blair: Diphallus in the female....112
—— —— Endometriomyoma of posterior uterine wall (spec.)....195
—— —— Hydatid cyst causing obstructed labour....114
—— —— Material and methods of a gynæcological and obstetrical clinic....*720
—— —— Parovarian cyst in pouch of Douglas (spec.)....409
—— —— Puerperal sepsis: discussion....243
—— —— Technique of suture of uterus after Cæsarean section....*727
—— —— R. A. Hendry, and H. E. Annett: Specific action of lead on the chorion epithelium of the rabbit, contrasted with the action of copper, thallium, and thorium....*1
Belugin, I.: Purulent foci and radium therapy....386
Benda: Cholesterol and pregnancy pernicious anæmia....386
Bergmann, H.: Transperitoneal injections into muscle of uterus....823
Berkeley, Comyns: Note on technique of the radical operation for carcinoma of the cervix uteri....346
Beuttner, A.: Intra-ligamentary ovarian cysts....379
Bevan, A. D.: Disasters following operations for retroposition of uterus....370
Bienenfeld, B.: Pulmonary tuberculosis and pregnancy....175
Bierende, F.: Sewing needle in the ovary....608
Bigger, Joseph W., and Gibbon FitzGibbon: Investigation into the ætiology of puerperal sepsis....*318
—— —— —— (Jt.-Author), *see* FitzGibbon, G.
Bilharziasis of female genital tract....771
Bill, A. H.: Modified Scanzoni manœuvre in treatment of vertex-occipito-posterior positions....362
Biorklund, E.: Genesis of tumours of urethro-vaginal septum....603
Birth control in some statistical aspects....149
Births, statistical consideration of, with special reference to war conditions....392
Bladder, diverticulum of, causing dystocia....577
—— female....366
—— sphincter muscle of, female, restoration of damaged....811
—— ulcer of, elusive....774
Blair, R.: Fatal injury to vagina....573
Blind, A.: Infants of syphilitics....807
Blood, cholesterin content of, and erythrocytes, osmotic resistance of, in new-born....826
—— —— —— of, in relation to genito-urinary sepsis....634
—— circulation, rate of, during pregnancy....811

Blood circulation and female reproductive organs, relationship of...171
—— materno-fœtal, incompatibility of.....809
—— menstrual, non-coagulability of, cause of.....607
—— occurrence in, of special substances under pathological conditions and during pregnancy 405
—— during pregnancy, chemical composition of.....150
—— in pregnancy, changes undergone.....*512
—— proteins in pregnancy, variations in.....625
—— reinfusion of, effused in peritoneum.....404
—— —— fatality in 387
—— serum, change in surface tension of, influence exercised during pregnancy on growth of malignant tumours.....819
—— stream infection treated by mercurochrome.....360
—— total mass of, in pregnant women at term.....599
—— transfusion in extra-uterine pregnancy.....830
—— —— in premature weaklings 795
—— —— whole blood 382
Blumenfeld, E.: Statistical consideration of births, with special reference to war conditions.....392
Bockelmann, O., and S. Rother: Extra-genital cyclic disturbances in women 620
—— —— Physiological acidosis of pregnancy.....812
Bonney, V.: Carcinoma of cervix.....756
—— —— Fifty-two fibroids enucleated from uterus of a patient aged 24 116
—— —— Inflation test for tubal pregnancy.....150
—— —— Insufflation of Fallopian tubes (discussion on Dr. Rubin's paper) 846
—— —— Myomectomy as treatment for uterine fibroids.....840
—— —— Puerperal sepsis: discussion.....246
—— —— Symptoms produced by uterine and vaginal displacements 155
Borak, J.: Gynæcological hæmorrhages 388
Bordjoschki, M.: Simultaneous bilateral tubal pregnancy.....614
Borelius, R.: Pregnancy after nephrectomy.....175
Bott, O.: Treatment of pelvic inflammation by small doses of X-rays 838
Bourne, Aleck: Insufflation of Fallopian tubes (discussion on Dr. Rubin's paper) 847
Bourne, A. W.: Puerperal sepsis: discussion.....257
Brachial birth palsy 754
Breast, carcinoma of (life expectation in).....572
Breast disease and the demodex folliculorum.....355
—— elephantiasis of 757
—— feeding, universalized 783
Breech presentation, forceps in.....177, 836
—— —— complicated by extra-uterine pregnancy.....851
Bretz, M.: Axial twisting of uterus during labour.....829
Bride, J. W.: Hæmatocolpos.....186
Briga, C. B. di: Adenocarcinoma of the uterus.....405
Briggs, H.: Effects of prolapse and retroflexion on uterus.....409
—— —— Puerperal sepsis: discussion.....253

Brindeau, and Lantuézol: Kjelland's forceps....796
British Congress of Obstetrics and Gynæcology, 1925....201
Brocq and Nora: Treatment of procidentia....796
Broich, H. v.: Uncontrollable epistaxis....835
Brow presentations....626
Brown, W. Langdon: Influence of ovaries on parturition (discussion)....849
Browne, Francis J.: Abnormalities of the umbilical cord which may cause antenatal death....*17
—— —— —— Stillbirth and neonatal death....631
Brownlee, J.: Birth control in some statistical aspects....149
Bubis, J. L.: Gelpi-Bubis speculum....780
Bublitschenko, L.: Eclampsia....831
Büben, L. v.: Post-partum hæmorrhage....826
Buildon, F. J.: Avulsion of parturient uterus....356
Bumm, E.: Virulence tests and operative mortality....386
Bund, R.: Transferability of œdema in pregnancy....627
Bunten, J. C.: Sarcoma of uterus....791
Burch, L. E.: Pneumo-peritoneum as aid in diagnosis of obscure pelvic lesions....578
Burckhard, G.: Simultaneous occurrence of carcinoma in uterus and ovary....172
Burger, K.: Congenital skin defect in scalp of newborn....628
Burger, P.: Infected ovarian cysts....588
Burgess, Mildred M.: Feeding of the abnormal baby by so-called Truby King methods....354
Burnam, C. F.: Some observations of the effects of radium therapy in cases of large uterine fibroids....160
Burns, J. W.: Chronic endocervicitis....754
—— —— —— End results of operative treatment of chronic endocervicitis....417
—— —— —— Hydatidiform mole followed by choricepithelioma....420
Butomo, W.: Mud treatment of chronic inflammatory processes....837

C.

Cæsarean section, cervical, under local anæsthesia....369
—— —— intraperitoneal, 112 cases without mortality....382
—— —— post-mortem, living child....573
—— —— scar....772
—— —— supra-symphyseal....807
—— —— suture of uterus after, technique of....*727
—— —— followed by temporary eventration of uterus....373
—— —— after test of labour....791
—— —— vaginal....177
—— sections, low or cervical, illustrated history of....775
Cameron, S. J.: Malignant disease of ovaries and Fallopian tubes....757
Cancer infection....370
Cancer problems....178
Cannon, D. J.: Puerperal sepsis (discussion)....428
—— —— —— Rotunda Hospital Report, remarks on....432
Carbohydrate tolerance in pregnancy....571

Carcinoma and gynæcology, problems of.....639
—— and heredity 806
Carlini, P.: New hypothesis on cause of menstruation.....169
Carlson, A. J.: Glandular therapy.....366
Cary, E.: Etiology of pre-eclamptic toxæmia.....787
Castano, C.: Pelvic varicocele 369
Castellani, Aldo, and F. E. Taylor: Vaginal monilias and vaginal moniliases *69
Castration and climacteric symptoms.....626
—— result of, in tuberculous pregnant women.....618
—— X-ray, temporary 834
Cattaneo, D.: Action of antibodies on young.....406
Cave, H. W.: Retro-peritoneal cysts.....792
Cerebrospinal fluid in newborn.....782
Cervix uteri, adenoma of.....372, 850
—— —— bacteriological examinations of, during pregnancy.....*49
—— —— carcinoma of 364, 756
—— —— —— of, primarly, treated by radium.....772
—— —— —— of, radical operation for.....346
—— —— —— of, radiological treatment of.....636
—— —— —— of, radium treatment of.....778
—— —— —— of, treatment of, during pregnancy.....373
—— —— —— of, treated by irradiation 364
—— —— cauterization of, simple method.....781
—— —— chronic infections of, streptococci from.....581
—— —— erosion of, pathology and treatment of.....762
—— —— lacerations of, bleeding 826
—— —— œdema and hypertrophy of, during puerperium.....786
—— —— stenosis of, treatment by stomatoplasty.....586
—— —— tuberculosis of 830
Chambers, Helen, and Somerset, Milicent: Breast disease and the demodex folliculorum 355
Charlonnet, P. N.: Subcutaneous emphysema following labour.....369
Cheney, R. C.: Toxæmias of pregnancy from ophthalmic standpoint 365
Chin, W.: Changes in surface of ovary caused by variations in age 812
Chisholm, and Willocke: Atrophy of renal origin in infant.....754
Chochlow, A. W.: Placenta in therapeutics.....820
Cholesterol and pregnancy: pernicious anæmia.....386
Chorioangiofibroma 160
Chorionepithelioma, hydatidiform mole followed by.....420
—— and vesicular mole, relation of cystic changes in ovaries to...176
—— of uterus, retrogression of metastases after.....834
Chorion epithelium (of rabbit), specific action of lead on.....*1
Cleland, F. A.: Method of treatment of severe types of dysmenorrhœa; results in 230 cases.....159
Clifford, Harold (obituary).....562
Clinic, gynæcological and obstetrical, materials and methods of...*720
Coen, G.: Erratic dermoid.....382
Convulsions and pregnancy 825

Cook, Frank : Case of extreme malformation of uterus.....354
—— —— Observations on the neuro-musculature of the uterus...*487
Copper, action of, contrasted with specific action of lead on rabbit chorionepithelium *1
Corinaldesi, F. : Etiology of shoulder presentations.....383
Corpus luteum, lipoid content of 831
—— —— primary ovarian pregnancy with special reference to...339
—— —— cysts, or cystic corpora lutea ?.....624
Cosens, W. B. : Vaginal hæmorrhage from perforating endothelioma 149
Costa, R. : Extraction of head, in foot presentation.....597
—— —— New method of autoplasmatherapy for puerperal infections 382
—— —— Occurrence in blood of special substances under pathological conditions during pregnancy.....405
Cottis, G. W. : Hernia in woman of 104.....780
Cotyledons of placenta 812
Croft, E. O. : Fibrocystic tumour of ovary.....851
—— —— Some recent cases of tubal pregnancy.....855
Crofton, W. W. : Formation of corpus luteum : discussion.....200
Crook, A. : Incidence of glycosuria during pregnancy.....182
Crossen, H. S. : Improvements in operative treatment of uterine displacements 773
Cruickshank, J. N. : Treatment of hæmorrhage in newborn.....149
Crystalline lens, experimental lesions of.....406
Cullen's sign in conditions other than extra-uterine pregnancy...584
Cystadenoma of labia majora.....820
Cystic changes, relation of, in ovaries to vesicular mole and chorionepithelioma 175
Cysts, retroperitoneal 792
—— traumatic epithelial 175
